# PROVISION FOR DEPENDANTS

There is no better way of providing for those dependent upon you than by effecting a Whole Life Assurance under *The Distinctive System* of this Institution, which combines Low Premiums with the right to share in the Surplus.

The Premiums may be paid throughout life or limited to a specified number, thus relieving the Assured in the later years when, owing to retirement, income may be reduced.

*The Distinctive System* has stood the test of over 100 years, during which the soundness of its principles and the equity of their application have been amply proved.

Assurances may be effected for amounts from £100 upwards.

## Preface

**The Management of the Post Office Aberdeen Directory** desire to thank the Public for their Co-operation towards the publication of the ninety-first edition of the Aberdeen Directory.

This year the pages of the Directory have been enlarged. A new style of type has been introduced and advantage has been taken in the re-setting to adopt various improvements, thus providing in a handy form a book indispensable not only in the office but in the home.

A new departure, for the convenience of the subscribers, to assist in easy reference, is in the compiling of the **Street Section**, in which the surnames have been inserted immediately after the street numbers.

**The numbers and letters** shown along with the **Street Names** indicate the Municipal Wards and Registration Districts respectively.

The residences in the **Suburban Districts** have now been subdivided as follows: **Banchory-Devenick; Blairs; Bridge of Dee; Bridge of Don; Cove Bay; Nigg and Woodside.**

The residences in the **Lower Deeside District** have also been subdivided as follows: **Bieldside; Cults; Milltimber; Murtle; Peterculter; Pitfodels and West Cults.**

**The new postal addresses for Murtle residences** are shown under **Murtle**, either as **Murtle, Bieldside, or Murtle, Milltimber.**

**The Town Council Air Raid Precautions** section has been revised and brought up to date.

We regret that it is not possible to issue the **Plan of Aberdeen** along with the Directory this year owing to the Control of Maps Order.

The Printing of this publication has been done by **Messrs. Henry Munro, Ltd., 22-24 Union Row, Aberdeen**, and all communications regarding the advertisements should be addressed to the printers.

The Editor would be very pleased to receive any suggestions from the subscribers with a view to maintaining the high standard of this publication. All communications relative to Directory business should be addressed to the Editor,

A newspaper, or a packet of newspapers, posted unpaid is chargeable with double postage; if insufficiently prepaid, with double the deficiency.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

If a packet bearing the words "Parcel Post," or otherwise marked for transmission as a parcel, is not posted in accordance with this regulation, it is treated as a letter if it is fully prepaid. If it is not fully prepaid at the letter post rate, it will be treated as a parcel, and will be charged on delivery with a fine of 1d., together with the deficient postage, if any, at the parcel post rate.

Parcels containing fish, game, meat, eggs, etc., or knives or other sharp instruments, can only be sent if so packed as to prevent all risk of injury to other parcels. Liquids or semi-liquids are not accepted unless in bottles or cans securely stoppered and suitably packed to prevent damage; nor powders, unless so packed that they cannot escape in transmission. Bottles or glass in any form can be accepted only when so packed as to be secure from breakage. If a parcel be tendered in a damaged or insecure condition it will be refused.

A parcel known to contain a prohibited article, or a parcel intended for delivery at an address other than that borne on the parcel itself, is liable to be refused.

Parcels addressed to a Post Office to be called for are kept two weeks, at the end of which period, if not called for, they will be returned to the sender, if his name and address are given on the parcel.

Parcels addressed to a ship are kept two months.

Undeliverable parcels which do not contain the address of the sender and are not applied for are liable to be disposed of after three months. Parcels containing perishable articles will be dealt with as may be requisite.

It is most desirable that the name and address of the sender should appear on the outside of every parcel.

## INLAND CASH ON DELIVERY SERVICE.

By arrangement with the Railway Companies the service is applicable also, within certain limits, to consignments sent by rail.

The Postmaster-General will, subject to the rules as to posting and packing, pay compensation up to a maximum limit of 400l. for the loss and damage of Inland Registered Postal Packets of all kinds upon payment of a fee in addition to the postage. Letters for certain countries may also be insured.

#### Express Delivery.

Express delivery by special messenger in advance of the ordinary delivery by postman is undertaken by certain foreign countries.

Further information as to the make-up of all classes of correspondence will be furnished on application at a Post Office.

### IMPERIAL AND FOREIGN PARCEL POST.

#### Packing.

Parcels for places abroad should be substantially packed with due regard to length of journey, conditions of transit, climate, etc., e.g., cardboard or ordinary brown paper is not, in general, sufficient packing for a parcel sent to a place abroad. For some countries special kinds of packing are required by the Post offices of transit or of destination.

#### Customs Charges Abroad.

Any parcel is liable to be opened for Customs examination abroad ; and the contents are subject to Customs Duty according to the laws of the country of destination. The Postmaster General can give no information as to the Customs tariff of particular countries, but if the sender desires an indication of the amount of duty likely to be levied, he should apply to the Department of Overseas Trade, New Public Offices, St. George Street, Westminster, London, S.W.1, and 9-12 Basinghall Street, London, E.C.2.

#### Customs Declaration and Despatch Note.

The sender of a parcel is required to make, for Customs purposes abroad—upon a special form or forms which can be obtained at a Post Office—an accurate declaration of the nature and value of the contents and other particulars. The form or forms should be filled up in ink. *Under-valuation of the contents of a parcel or failure to describe them fully may result in seizure of the parcel, or in the imposition of a heavy fine.* The net weight or quantity of the different kinds of articles contained in a parcel should be separately stated.

For postage rates and for particulars of the Services to individual countries, enquire at any Money Order Office. See also Table in current issue of the *Post Office Guide*.

### AIR MAIL SERVICES.

#### Particulars of the Services can be obtained by applying at any Post Office.

The Empire Air Mail Scheme is suspended, but correspondence for any of the countries hitherto served under the scheme can still be forwarded by Air Mail if the sender so desires, in which case it must be fully prepaid at the rate of 1/3 per half-ounce (postcards, 7d.).

The general regulations of the Air Mail are given hereunder :—

#### Letter Air Mails.

1. *Any kind of letter packet may be sent by Air Mail*, that is, letters, postcards, printed papers and commercial papers, and samples. An Air Mail packet may be posted in any of the ordinary ways of posting. It can be accepted for registration. The ordinary arrangements for *Express delivery* and the use of the green label system (for articles liable to Customs Duty) apply.

2. *A special Blue Air Mail label* must be affixed to the top left hand corner of every Air Mail packet. These labels may be obtained, *free of charge*, at any Head or Branch Post Office and at certain others.

If an Air Mail label is not available the packet should be clearly marked "By Air Mail"; but the absence of an Air Mail label may lead to delay.

3. Air Mail correspondence must be prepaid in stamps to the full value of the combined postage and Air Fee.

#### Inland Telegraph Money Orders.

Money may be transmitted by Telegraph Money Order between all Post Offices in the United Kingdom or Eire authorised to transact Telegraph and Money Order business.

Commission is charged at the ordinary rate for Inland Money Orders; see above.

In addition to the Commission, a charge is made at the ordinary inland rate for the Official Telegram, authorising payment at the Office of Payment, the minimum being 6d. 1/6 for orders payable in Eire), and a supplementary fee of 2d. for each Order is also charged.

The maximum amount allowed for a single Order for a British Colony, Foreign Country, etc. (£20 or £40, as the case may be), is stated in the *Post Office Guide* (Imperial and Foreign Money Order Services).

#### Foreign Telegraph Money Orders.

Money may be transmitted by Telegraph Money Order to most places abroad. Particulars may be obtained at any Money Order Office.

The charges are—a Money Order commission at the rate for Orders payable abroad; the cost of a telegram of advice at the rate per word for telegrams for the country in which the Order is to be paid; and a supplementary fee as follows:—For foreign countries (except Cuba, Egypt and Iraq) and Newfoundland—6d. For the British Empire (except Canada and Newfoundland), Egypt, Iraq, Palestine, and Tanganyika Territory—1s. For Canada—6d. at ordinary rate; 1/- at deferred rate. For Cuba—4/8.

#### General.

Money Orders do not require a receipt stamp.

At the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, but when a good reason can be given for the delay in presenting it, an application for payment, subject to a deduction of 6d. is entertained. In certain foreign countries the period during which a Money Order is valid is less than twelve months—see *Post Office Guide*.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the Post Office is not liable to any further claim.

#### POSTAL ORDERS.

Postal Orders for 6d. and for any multiple of 6d. up to £1 and also for £1 1s. are now issued in the United Kingdom, and in most British Colonies and Protectorates and certain other places abroad.

For details, see *Post Office Guide*.

The poundage payable in respect of Postal Orders issued in the United Kingdom is as follows:—

Amount of Order.	Poundage.
6d. and 1s. .. .. .	1d.
1s. 6d. up to 5s. .. .. .	1½d.
6s. up to 21s. .. .. .	2d.

Broken amounts, but not fractions of a penny, may be made up by the use of British postage stamps, not exceeding two in number, in spaces on face of Order. (1) Up to the value of 5d. to orders of denominations up to and including 4s. 6d. (2) Up to the value of 11d. to orders of denominations above 4s. 6d.

Any sum up to £1 16s. can be sent more cheaply by Postal Order(s) than by Money Order.

The person to whom a Postal Order is issued *must*, before parting with it, fill in the name of the person to whom the amount is to be paid, and is recommended to fill in the name of the Post Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Office of Payment, if that has not been already done.

Every person to whom a Postal Order is issued should tear off and retain the counterfoil. Its production will facilitate inquiry if the Order should be lost.

#### POST OFFICE SAVINGS BANKS.

These banks are established under the provisions of the Act 24 Vict. cap. 14, intituled, "*An Act to grant additional facilities for depositing small Savings at interest, with the Security of the Government for the due Repayment thereof*," and are open daily during the hours appointed for Money Order business for the receipt of deposits of one shilling, or any number of shillings up to an aggregate of £500 in any year. There is no limit, however, to the amount which may stand to the credit of an account.

Deposits are received of any sums not less than a shilling, and when the deposit reaches £1, interest at the rate of 6d. a year on each pound deposited is given.

Any sum not exceeding £3 can be withdrawn without notice at any Post Office Savings Bank transacting Savings Bank business.

#### NATIONAL SAVINGS CERTIFICATES.

National Savings Certificates (formerly known as War Savings Certificates) may be purchased at most Post Offices. The purchase price is 15s. for each Certificate, which is repayable at any time on application together with any interest which has accrued. A single Certificate becomes worth £1 os. 6d. at the end of ten years.

For further particulars apply at a Post Office.

#### PURCHASE OF GOVERNMENT STOCKS.

Any depositor in the Post Office Savings Bank may invest a sum in Government Stocks at the current price of the day, and may sell at the same. The commission for buying and selling is, not exceeding £10, 1s.; exceeding £10 and not exceeding £25, 1s. 6d.; exceeding £25 and not exceeding £50, 2s. 6d.; exceeding £50 and not exceeding £75, 3s. 6d.; exceeding £75 and not exceeding £100, 4s. 6d.; with a further charge of 1s. in respect of every £50 or part of £50 above £100.

#### GOVERNMENT LIFE INSURANCES AND ANNUITIES.

Savings Bank *Insurance* business has been discontinued and no proposals for *Insurance* can now be received. Contracts already in existence will not be affected.

Immediate Annuities from £1 up to £300 may be purchased through the agency of the Post Office Savings Bank on a single life or on the joint lives of two persons, with continuance in full to the survivor.

For further particulars apply at any Post Office Savings Bank.

#### Post Office Telegraphs.

##### INLAND TARIFF.

The charge for Telegrams throughout the United Kingdom is 9d. for nine words (1s. 6d. for Telegrams addressed to Eire for the first 12 words), and 1d. for each additional word. Addresses are charged for. Telegrams handed in on Sundays are charged 6d. extra.

A Telegram can be repeated back from Office to Office throughout the course of transmission if the Sender desires to adopt this precaution against error. The charge for repetition (which must be paid when the Telegram is handed in) is one-half the charge for transmission. If containing mercantile quotations or code words a Telegram ought always to be repeated. If the receiver of a Telegram doubts its accuracy he may have the whole or any part of it repeated without charge so long as the original telegram form is on hand at the office of origin.

The cost of a reply may be prepaid up to a maximum amount of 4s. (I.F.S., 4s. 6d.).

Copies of a Telegram, directed to more than one firm or person in the same free delivery will be delivered separately at an additional charge of fourpence per copy beyond the first. Each London Postal District is regarded for this purpose as forming a separate delivery.

Figures are counted at the rate of five figures to a word. Fractions are counted according to the number of figures employed, one figure being counted for the mark of divisions, thus— $\frac{1}{2}$  counts as one word, and 109 $\frac{1}{2}$  as two.

All Telegrams for delivery at addresses within three miles (one mile in Eire) of the office of delivery, or within the town postal delivery in the case of a Head Post Office, are delivered free. The charge for delivery of a Telegram at any address beyond the limits of free delivery is at the rate of 6d. for each mile, reckoned from the boundary of the free delivery, any fraction of a mile being reckoned as a mile.

#### NIGHT TELEGRAPH LETTERS.

Night Telegraph Letters, which must be in plain language and must bear a full postal address, are accepted at any time by telephone or at any Telegraph Office which is open to obtain delivery by post the following morning in Great Britain or Northern Ireland, and to the following towns in Eire, viz., Cobh (or Queenstown), Cork, and Dublin. They may also be posted within the town area, but should be posted so as to reach the Head Office by midnight. The rate is 1s. 3d. (1s. 6d. for an address in Eire) for 36 words or less, and 1d. for every three words beyond 36. The usual additional fee of 6d. is charged on Sundays.

#### REGISTERED ADDRESSES.

Any person may register an abbreviated or arbitrary address on payment of a registration fee in accordance with the following scale of charges, dated from the day of registration:—

For a period not exceeding 3 months	£0 12 6
For a period exceeding 3 months but not exceeding 6 months	1 5 0
For a period exceeding 6 months but not exceeding 9 months	1 15 0
For a period exceeding 9 months but not exceeding one year	2 0 0

The address must consist of two words, one of which is to be the town or place of delivery.

An abbreviated address, for use solely in connection with telegrams from abroad, is given free of charge to firms engaged in business in connection with which telegrams are received from overseas.

#### GREETINGS TELEGRAMS.

Messages of greeting, of congratulations or good wishes can be delivered on gaily decorated forms, enclosed in golden envelopes, on payment of a flat rate of 3d. in addition to the usual charges. The word "Greeting," which is not charged for, should be written before the name of the addressee. The service is not available to Eire.
